

University of the
Sunshine Coast
Australia

Steps to apply

A quick guide:
submitting an
application
to UniSC

1 Explore

your program options and
contact your home university for
further advice about eligibility
requirements.

2 Register

an online account with the
international application portal.

We suggest using an email address
you frequently check and taking
note of the password you use to
register. You can edit and save your
application as often as you like
before submitting it to UniSC. After
submitting, you can check the status
of your application at any time using
the log in details you provide when
you register.

3 Apply

online via the international
application portal. Choose
your UniSC program and
upload supporting documents
to submit your application.

Be sure to have your passport image
page, academic transcripts and
evidence of English proficiency ready to
upload.

5 Respond

to your offer by reviewing
your offer letter details in the
international application portal.

Once you have accepted your offer,
UniSC issues important documents
and updates including Confirmation
of Enrolment (CoE) used for a
Student visa and UniSC login details.

4 Application assessment

is completed by the UniSC
Admissions team and an offer is
made accordingly.

You will be notified via email
regarding the outcome of your
application. You can also check the
status of your application at any time
via the portal.

6 Prepare

for your studies abroad and
apply for your visa, organise
travel and accommodation
arrangements and prepare for
your departure.

Questions?

If you have questions about
submitting your application
to UniSC, please contact the
