California State University, Monterey Bay (CSUMB) provides an extraordinary opportunity for students to learn or enhance their English from knowledgeable, friendly English as a Second Language (ESL) experts. The American Language & Culture Program (ALCP) has multiple sessions and is offered year-round. Our diverse, friendly student body receives personal attention in an intimate classroom size. CSUMB is a safe, close-knit residential campus located in the heart of California on the Monterey Peninsula.

CURRICULUM

American Language & Culture Program (ALCP) provides students the opportunity to improve their English language proficiency requirement for undergraduate admission by preparing for TOEFL assessment. The curriculum is made up of the following courses designed to integrate academic skills and cultural literacy.

- Reading comprehension
- Oral communication
- Academic writing and editing
- Public speaking & listening
- English language lab
- American culture

PROGRAM SESSIONS

4-WEEK SESSIONS

4-week sessions begin in January, March, June, July, August, or October.

8-WEEK SESSIONS
